Terms and Conditions – Dr Barbara Lutz – November 2020

Dr Lutz has consulting rooms at the venue shown below:

- **The London Welbeck Hospital, 27 Welbeck Street, London, W1G 8EN**

We aim to provide the report within four weeks of the appointment date and achieve this target in the great majority of cases. If there is special urgency this can usually be accommodated and so do let me know timescales.

The cost for providing a new medical legal report is estimated in a range between £700 – £2,500 plus VAT.

The above costs are subject to increment depending on the volume of documentation and the complexity of the case.

Supplementary work is charged at £225 per hour plus VAT.

Payment terms are **strictly** 30 days from the date of the invoice. No additional work will be undertaken until the report fee is cleared.

All related medical records must be received by us prior to appointment date, or on commencement of desktop reporting (electronically or in paper).

If a draft report is required prior to the receipt of full records, we reserve the right to charge additional fees due to the extra work of subsequent integration of additional information.

Court fees are charged at a rate of £1,250 per day, plus travel and out of pocket expenses.

Trial cancellation fees – full fee plus already paid expenses if cancellation within 7 days or 50% of fee plus already paid expenses if cancellation within 14 days.

If a case settles whilst Dr Lutz is in correspondence, any fees relating to work undertaken prior to notification will still be due.

Medical records will be kept for 6 months following first appointment date with Dr Lutz. If you would like medical records returned, please advise on completion of report.

Please confirm your agreement with the above terms and conditions and I attach a copy of Dr Lutz's CV for information.

If acceptable, an appointment can then be given to the Claimant.

Should the claimant cancel an appointment without more than two weeks' notice, there will be a cancellation fee of £225.
